

# KENYAN SCHOOL PROJECT

APRIL 2011

KEEP THIS DATE: SATURDAY, MAY 21<sup>ST</sup> SLIDE SHOW AND HARAMBEE!

## GREAT NEWS!

Thanks to you, we have raised one third of our goal of \$7500.00 for a school kitchen. Our hope is to raise the remainder with the Harambee and have a lot of fun doing it.

## Get ready for a Kenyan Harambee!

What's that? In Kenya, communities come together to raise money for important projects. They dance, sing, eat good food, and donate what they can. Our Harambee will show the spirit of Kenya and the magic that can happen when we join together in celebration!

Saturday, May 21<sup>st</sup> 7 pm

Lopez Community Center

Chefs Kim Bast and Joyce Brinar will serve delicious treats for the event and there will be wine and live African music. We will also have a silent auction. Local artists, craftspeople and others have donated all kinds of fun items (see next page).

**We look forward to seeing you in May.**

**Blessings,**

## VOLUNTEERS VISIT HEAD TEACHER

KSP volunteer Ann Goss and her husband, George Meilak, recently visited Kenya and met with the school superintendent (Head Teacher) at the Burguret Primary School. Ann met Ms. Maturi to review the kitchen project. Ann was greatly impressed with Ms. Maturi and learned that she has past experience in completing successful building projects at other schools.

Ann delivered a digital camera to the school which was donated by Sue Roundy. The camera will be used to document life at the school and the surrounding community. Look to our website in coming months for newly added photos.
